

PUBLIC NOTICE

The Rogers City Council will be conducting a workshop September 15, 2015 at 6 p.m. at Rogers City Hall, 193 E. Michigan Ave., in consideration of the adoption of a rental registration ordinance. If adopted, the ordinance would require that all rental units within the City limits be registered with the City and inspected, with the owners of the rental units covering the cost of the inspections. Rogers City Council members have reviewed a similar ordinance enforced by the City of Onaway, which can be found on-line at www.onawaymi.com.
